City Electric Bike

Urban electric bike, low entry, 6 speed

up to 60 km	25 km/h	360 Wh	36V 250W

Experience effortless everyday mobility with our stylish urban e-bike, built to make every journey smoother and more enjoyable. The intelligently integrated rear rack battery delivers reliable long-range performance while maintaining everyday practicality. A low-step frame ensures easy mounting and dismounting, while large 28-inch wheels provide outstanding stability and comfort on city streets. Paired with a versatile 6-speed drivetrain, this e-bike adapts seamlessly to your daily routine. Wherever the day takes you, ride with confidence, comfort, and modern style.

- 250W Motor
- Removable Certified Battery 10 Ah 36V
