Urban Electric Bike

Urban hybrid electric bike, low entrance, 7 speed

up to 80 km	25 km/h	460.8 Wh	36V 250W

Enjoy effortless city travel with our electric urban bike, designed to make every ride more comfortable and convenient. The long-lasting built-in battery keeps you moving throughout the day, and the easy step-through frame offers quick, stress-free access. Its large wheels provide a steady, smooth glide, while the front suspension absorbs uneven terrain for a more enjoyable experience. Paired with a versatile 7-speed gear system, it adapts beautifully to any route. Wrapped in a clean white finish with red accents that gives it a fresh, modern look, this bike brings elegance and efficiency to your daily trips.
