City Electric Bike

Urban hybrid electric bike, hihentrance, 2 automatic gear

up to 80 km	25 km/h	360 Wh	36V 250W

This is a modern city e-bike designed to make your journeys as comfortable as possible. The automatic gear system will change gears when needed to make pedalling easier, and the 5 levels of assistance allow you to adjust the level of support you require. Thanks to the chain guard, you can rest assured that the chain won't get you dirty or fall off.
