City Electric Bike

Urban electric bike, low entry, 6 speed

up to 60 km	km/h	360 Wh	36V 250W

Experience easy and stylish city riding with this low-entry urban bike, built for comfort and everyday convenience. Its sleek frame houses a removable battery that can be charged separately for added flexibility, while the 250W motor receives steady support from the integrated design. The 26-inch wheels offer smooth, stable handling, and reliable V-brakes ensure confident stopping power in busy urban environments. Perfect for commuters seeking practicality with a touch of style
