Trekking Electric Bike

Trekking electric bike, low entrance, 7 speed

up to 90 km	25 km/h	486 Wh	36V 250W

Designed for both daily commutes and weekend adventures, this modern trekking bike offers comfort, practicality, and versatility. The low-entry frame paired with large wheels delivers easy handling and stability, whether you're riding through the city or tackling rougher surfaces. Its stylish integrated battery complements the powerful 250W motor, while the 7-speed derailleur provides smooth and reliable shifting. For added convenience, the chain protector keeps the drivetrain cleaner and better protected from wear and damage.

- 250W Motor
- Integrated Certified Battery 13.5 Ah 36 V
- Colour Light Grey
- Aluminium frame 27,5"
- Shimano Nexus 7 speed
- Hydraulic disc brakes
- Mid motor with partial chain cover
